

The Koolance Fitting Coupling Adapter provides a convenient coupler for converting between any two G 3/8 BSPP (parallel) thread fittings. Easily adapt any tubing diameter to another, for example, or a swiveling connection to a barb fitting.

General	
Weight	0.13 lb (0.06 kg)
Fitting Thread	G 3/8 BSPP
Max Pressure Tolerance @ 25 °C	15kgf/cm <sup>2</sup> (213.4psi)
Max Temperature Tolerance	120 °C (248 °F)
Wetted Materials	Brass, Nickel Plating
