EXT-A03 (Exos-AI) Liquid Cooling System, Aluminum [06mm, 1/4in]

Featuring high-quality, brushed aluminum, the new Exos-AI is even lighter than earlier versions.

Bring powerful liquid cooling technology to an existing computer! Koolance maintains its reputation for professional products by simplifying installation-- there is no need for special tools or case modifications. Utilizing a patent-pending design, the Exos-AI connects to any PC through a standard rear card slot. Other great Exos-AI features:

- Quick-connect rear valves for easy transport or disassembly
- Adapted power connection - does not require an AC power outlet
- Optional attachment strap for systems that are "on the go"
