

Fitting Single, Swiveling Elbow, G 1/4 BSPP

Create a swiveling 90 degree elbow bend using any Koolance G 1/4 BSPP (parallel) thread fitting. For a basic elbow fitting, the [Koolance Coupling Adapter](#) could also be used. Or for maximum adjustment, consider placing two swiveling elbow fittings together. Tube fitting not included.

General	
Weight	0.08 lb (0.04 kg)
Fitting Thread	G 1/4 BSPP
Materials	Brass, Nickel Plating, EPDM
Max Pressure @ 25°C	8kgf/cm ² (113.8psi)
Max Temperature	100°C (212°F)
