

Direct connection fitting for supported Koolance VID coolers (VID-280/282/290, etc.) in series or parallel. CNT-VD3 is for SLI or CrossFire setups that span four card slots (two in between are bypassed). Koolance VID water blocks occupy the same slot as the video card.

G 1/4 BSPP threading, nickel-plated brass with compression fittings and gaskets. Will work with any hose diameter going in and out of the Koolance video coolers.
