

PC3-410BK Liquid Cooling System, Black
[06mm, 1/4in]

The Koolance PC3-410BK provides easier assembly, blue LED temperature display, top liquid refill plug, and more drive mounting space. Ideal for single CPU, video card, and hard drive liquid cooling, this entry-level system also includes new chassis features!

Inside the PC3-410BK, a removable motherboard tray, sliding rails for both 5.25" and 3.5" drives, and rotated hard drive bays eases installation while adding greater usability to the system. Front USB 2.0, Firewire 1394, audio ports, and a larger side window come standard.
