P/N: SPR-10BK

Tubing Spring Wrap, Steel Black for OD 13mm (1/2in)

Tubing outer spring to help avoid kinks in tight areas. Steel with black plastic coating. For 13mm (1/2in) external diameter tubing.

Spring length can be compressed or stretched while on tubing for segments 6-32" (15.2-81.3cm) long. Trim with wire cutters for shorter lengths, or stack multiple pieces for more coverage.
