

**Tubing Spring Wrap, Steel Black for OD 19mm
(3/4in)**

Tubing outer spring to help avoid kinks in tight areas. Steel with black plastic coating. For 19mm (3/4in) external diameter tubing.

Spring length can be compressed or stretched while on tubing for segments 6-32" (15.2-81.3cm) long. Trim with wire cutters for shorter lengths, or stack multiple pieces for more coverage.

Intended Tubing Size

OD: 19mm (3/4")
