P/N: VID-487X2

VID-487X2 Water Block (AMD Radeon HD 4870 X2 Video Card)

The Koolance VID-487X2 is a combined GPU and memory block for high-end water cooling of ATI Radeon HD 4870 X2 video cards in single or multi video configurations. It combines a full nickel-plated solid copper cooler which targets all primary heat-producing regions of the HD 4870 X2 (including the voltage regulators). An acrylic lid allows coolant visibility under the logo.

Fitting threading is standard G 1/4 BSPP. For multiple card configurations, video connectors are also available.

NOTE: This product is based on the original reference board layout. It will not fit video cards which have been changed from the original AMD or NVIDIA reference spec.

General	
Weight	1.75 lb (0.79 kg)
Wetted Materials	Nickel-Plated Copper, Nickel-Plated Brass, PMMA Acrylic, Silicone
