

The Koolance VID-LN2 is a "DIY" video card evaporator pot for liquid nitrogen cooling. The cold plate is double-sided solid copper, combined with a black acetal container. Mounting hardware is included for the following video cards:

- AMD/ATI Radeon HD 4870
- AMD/ATI Radeon HD 4870 X2 (two VID-LN2 are required)
- NVIDIA GeForce GTX 280
- NVIDIA GeForce GTX 260
- NVIDIA GeForce 9800 GTX
- NVIDIA GeForce 9800 GX2

General	
Weight	1.75 lb (0.79 kg)
Wetted Materials	Copper, Acetal
