P/N: VID-NX580

VID-NX580 Water Block (NVIDIA GeForce GTX 580/570 Video Card)

The Koolance VID-NX580 is a full coverage video block for water cooling NVIDIA GeForce GTX 580 and GTX 570 cards in single and multi video card configurations. It utilizes a high-performance microfin (0.5mm) design made of solid copper with anti-corrosive nickel plating.

Fitting threading is standard G 1/4 BSPP. For multiple card configurations, video connectors are also available.

NOTE: This product is based on the original reference board layout. It will not fit video cards which have been changed from the original AMD or NVIDIA reference spec.
